

Y-Bridge Arts Festival Best of Show Booth

Dear Artists,

Welcome to the 2017 Y-Bridge Arts Festival. The planning committee is happy to confirm \$1350 in cash and prizes to be awarded.

To qualify for many of the prizes you will need to enter one work of art in the competition held in the Best of Show Booth. **Please read the following carefully.**

The Best of Show Booth will be located just beyond the welcome tent at the entrance of the festival. One work selected by the artist is to be dropped off at the booth. This work should be what you as an artist feel is your "Best of Show." The piece should represent your style and your booth. This will be the work that competes for many of the prizes.

Drop off will be until 6:00pm on Friday. Please allow volunteers time to sign-in your piece. **The judge will start at 6:15.**

The artist is requested to provide display materials (easels, stands...) for the Best of Show piece. There will be tables for small pieces.

We understand some pieces should be removed overnight. We ask that you fill out a sign-out sheet to avoid any confusion. The piece should be returned to the booth by 10:30 am on Saturday morning.

Pick-up is 7:00 pm on Saturday evening.

Who Can Enter: One artist per paid booth can enter the Best of Show, one piece per artist unless the artwork is a set, sold as one piece. In the case of shared booths, a second artist may enter a piece for \$50. Group booths that represent a number of artists may also submit more artworks for \$50 each.

Sales will be through the artist; the festival does not keep commission on sold art work.

There will be volunteers in the booth during the festival.

Please let me know if you have any questions.
